Projected equity multiple 2.1x · projected IRR 18%

What investors say

| *"Best sponsor I have ever worked with. My returns beat the market every single year." J.R., investor since 2019*

| *"They take care of everything so I can sleep at night." M.K., investor since 2021*

Distributions

7% annualized distribution yield, paid monthly since inception

Distributions have been paid every month since the first closing in 2023. A portion of the distributions in 2023 and 2024 was funded from offering proceeds.

Sponsor track record

- Our sponsor has never lost investor capital across 14 completed deals.
- Completed deals returned an average 21% IRR (Deals 3, 7 and 11).
- Over \$600 million of multifamily assets acquired since 2012.
